FOOT-O-GRAPHS FROM LIFE

PORTO-PED
Air Cushioned SHOES
by PORTAGE

The African native walks barefoot on spongy vegetation. His feet are perfect.

Modern man walks over hard pavements, rock-like floors. His feet need protection.

Cushion your feet against the shocks and jars of everyday walking with Porto-Ped Air Cushioned Shoes. The patented air cushion eases every step you take. The flexible Arch Stay gives you much needed support. Come in for a trial today.
